ADDITIONAL ACTIVITES & RELEVANT EXPERIENCES

1. I am currently serving as a Board Member with my husband for Global Baseball. We serve as the Directors for Brazil and Venezuela. Global Baseball is a non-profit, Christian organization since 2008.
2. I have served as a volunteer dentist on a total of 25 mission trips, including within the countries of Brazil, Paraguay, Bolivia. Since it has been a consistent work spanning over a period of almost 10 years, I was able to not only deliver immediate care, but also provide treatment and follow up exams in some of the regions. Since 2001 to present.
3. I am highly involved with my church activities participating in various leadership roles as teenager counselor, Sunday school teacher and also in the dancing ministry.
4. 07/2014 – Volunteer Counselor of the craniofacial camp, Gainesville Florida.
5. 02/2014 and 2015, 2016 – Volunteer Lecturer: Educating pregnant women and mother in Infant Oral Health: The 9th annual World's Greatest Baby Shower, sponsored by the Kiwanis Club of the University City
6. 08/2013 – Volunteer service: UF Health Pediatrics- a back to school open house. Educating Mother and Kids with oral health care.

7. 02/2013 – Volunteer service educating pregnant women and mother: The 8th annual World's Greatest Baby Shower, sponsored by the Kiwanis Club of the University City.
8. 2011 – Special Guest Teacher at the Early Learning Center, Shades Mountain Baptist Church, Birmingham, AL. – Topic: Educating Children in Oral Hygiene.
9. 09/2010 to 12/2011: Volunteer Service, assisting Dr. William Powell at the Lovelady Center Dental Clinic, Birmingham, AL. The center is a Christian facility that serves as a rehab /transitional service for women who have had difficult histories, yet whom are seeking to change their lives.
10. 1999 – 2008: Volunteer service with the Pantanal Project Medical Ministry in Corumbá, Brazil. The ministry works with and attends various groups of people in and around the Pantanal region, groups such as the distant communities along the Paraguay River, sporadic settlements on the outskirts of the region, and the poorer neighborhoods within the city. Initially, I served as an English/Portuguese translator and dental assistant for the American mission groups coming to work with the project, and later becoming the Principal Dentist of the project while residing in the city until 2008.
